

September 2020 Newsletter

Dear Investor,

The Global Volatility Summit ("GVS") brings together volatility and tail hedge managers, institutional investors, thought-provoking speakers, and other industry experts to discuss the volatility markets and the roles volatility strategies can play in institutional investment portfolios. The GVS aims to keep investors updated on the volatility markets throughout the year, and educated on innovations within the space.

Eurex has provided the latest piece in the GVS newsletter series, which can be accessed via this link: <u>https://www.eurexchange.com/resource/blob/2071824/a017b0e305f48a4347fbb93008cf90b4/data/w</u> <u>hite-paper-a-review-of-the-digital-derivatives-forum.pdf</u>

Cheers, Global Volatility Summit

11th Annual Global Volatility Summit

We are excited to announce the first ever Virtual Global Volatility Summit taking place from September 21 to September 23. Virtual GVS consists of though-provoking panel discussions with managers and investors around the globe as well as a timely keynote from Demetri Sevastopulo (Washington Bureau Chief, Financial Times).
